

Charity Raffle

May 6th 2019

CLEO
SOCIAL ECONOMY

CLEO will be conducting a fundraising raffle, to generate funds to further the development of the coin. So far, CLEO has been funded by its great team of volunteer.

This is a call to all celebrities, Crypto and otherwise, to create a piece of art that CLEO will raffle. We believe that we will have enough involvement and commitment to have the tickets ready by mid April 2019! The draw would then take place, on May 6th!

To the many people interested, we have many channels for you to choose from. Reach out to us on the social media below:
